- (iv) Resolution 8 - Proposed Authority for the Company to Purchase its Own Shares

The proposed Resolution 8 is intended to allow the Company to purchase its own shares up to 10% of the total number of issued shares in the ordinary share capital of the Company at any time within the time period stipulated in the Bursa Malaysia Securities Berhad Main Market Listing Requirements. Please refer to the Circular/Statement to Shareholders dated 28 February 2020 for further information.

As part of the initiative from Bursa Malaysia Securities Berhad ("Bursa Securities") to aid and facilitate listed issuers in sustaining their business or easing their compliance with Bursa Securities' rules, amid the unprecedented uncertainty surrounding the recovery of the COVID-19 outbreak and Movement Control Order imposed by the Government, Bursa Securities had vide Bursa Malaysia Berhad's letter dated 16 April 2020 allow a listed issuer to seek a higher general mandate under Paragraph 6.03 of the Main Market Listing Requirements of Bursa Securities of not more than 20% of the total number of issued shares (excluding treasury shares) for the general issue of new securities.

The said 20% General Mandate will provide flexibility to the Company to raise additional funds expeditiously and efficiently during this challenging time, to meet its funding requirements including but not limited to working capital, operational expenditures, investment project(s), and/or acquisition(s). The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that the General Mandate is in the best interests of the Company and its shareholders.

Pursuant to the Previous Mandate, the Company has undertaken a private placement exercise in three (3) tranches where 28,737,000 new ordinary shares have been issued as at the date of this Notice, with a total proceeds of RM63,468,060/-.

The details of the utilisation of proceeds from the abovementioned corporate exercise are as follows:-

Table with 6 columns: Purpose, Proposed Utilisation RM, Actual Utilisation RM, Intended Timeframe for Utilisation, Balance RM, Explanations. Rows include Working capital requirements, Expenses, and a total row.

The new General Mandate will enable the Directors to take swift action for allotment of shares for any possible fund raising activities, including but not limited to further placing of shares, for the purpose of funding future investment project(s), working capital and/or acquisition(s) and to avoid delay and cost in convening general meetings to approve such issue of shares.

- (vi) Resolution 10 - Proposed Renewal of DRS Authority

The proposed Resolution 10, if approved, will give authority to the Directors to allot and issue new CRB Shares under the DRS, until the conclusion of the next Annual General Meeting. A renewal of this authority will be sought at subsequent Annual General Meetings.
